**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose any legislation that limits access to internet services by ISPs that provide that same service to consumers. Please remember that the internet was developed with tax payer money. The FCC is a government agency that is supposed to work for all the citizens of the United States, not corporations.
